Control de Gastos y Bancos

How to install and activate the app in 4 steps (2 minutes)

goa-business.github.io/gastos/en <- open this link

1 OPEN THE LINK

a) Open **goa-business.github.io/gastos/en** on your phone.

b) **Android:** use **Google Chrome**.

c) **iPhone:** use **Safari**.

d) If you opened it inside WhatsApp, tap the **3 dots** -> **"Open in Chrome"** (or Safari).

2 INSTALL IT

a) A green bar appears at the top: tap **"Install"**.

b) **Android:** confirm **"Install"** and you are done.

c) **iPhone: Share** button (square with arrow) -> **"Add to Home Screen"** -> **Add**.

d) Open the app from the **GOA** icon on your screen.

This is the green bar

Your GOA icon on screen

DON'T do this:
Don't tap the **download arrow**, "Save page" or "Create shortcut": they create an **.mht** file that **does not work**. If you have one, delete it.

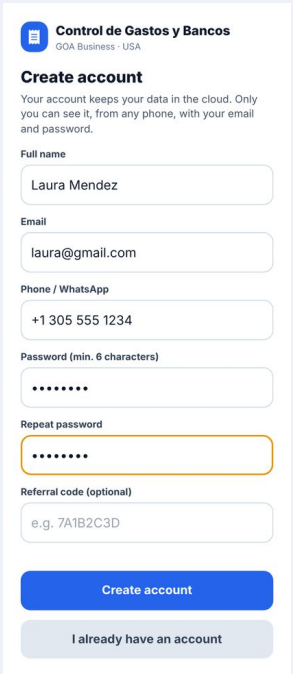

3 SIGN UP

a) Tap the cover, then **"Create new account"**.

b) Enter your name, email, WhatsApp and a password.

c) Open the **verification email** (check Spam) and tap the link.

d) Come back and tap **"I verified my email"**.

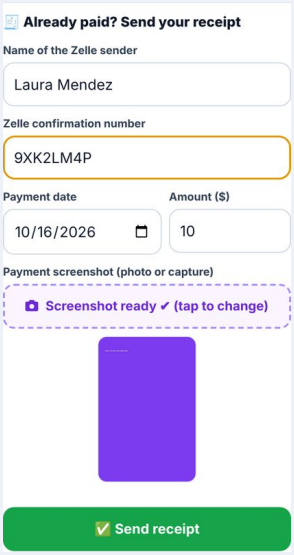

4 ACTIVATE ($10)

a) Tap **"Ask for Zelle details on WhatsApp"**.

b) Pay with **Zelle** and take a screenshot.

c) Fill in **"Send your receipt"** and upload the screenshot.

d) Once approved, **the app opens by itself**. Done! 1-year license.

Another phone? Sign in with your email and password: your data is in the cloud. Works on **one phone at a time**. **Forgot your password?** Tap "Forgot my password". **Renewal?** From month 11 the app reminds you: same Zelle process. **Help:** Support button in the app or WhatsApp **+58 416-172-1923**.
